Using the EEO Tabulation to Examine 21st Century Workforce Diversity

Jennifer Cheeseman Day, Liana Christin Landivar, Melissa C. Chiu, Ana J. Montalvo | Social, Economic, and Housing Statistics Division | U.S. Census Bureau | Department of Commerce

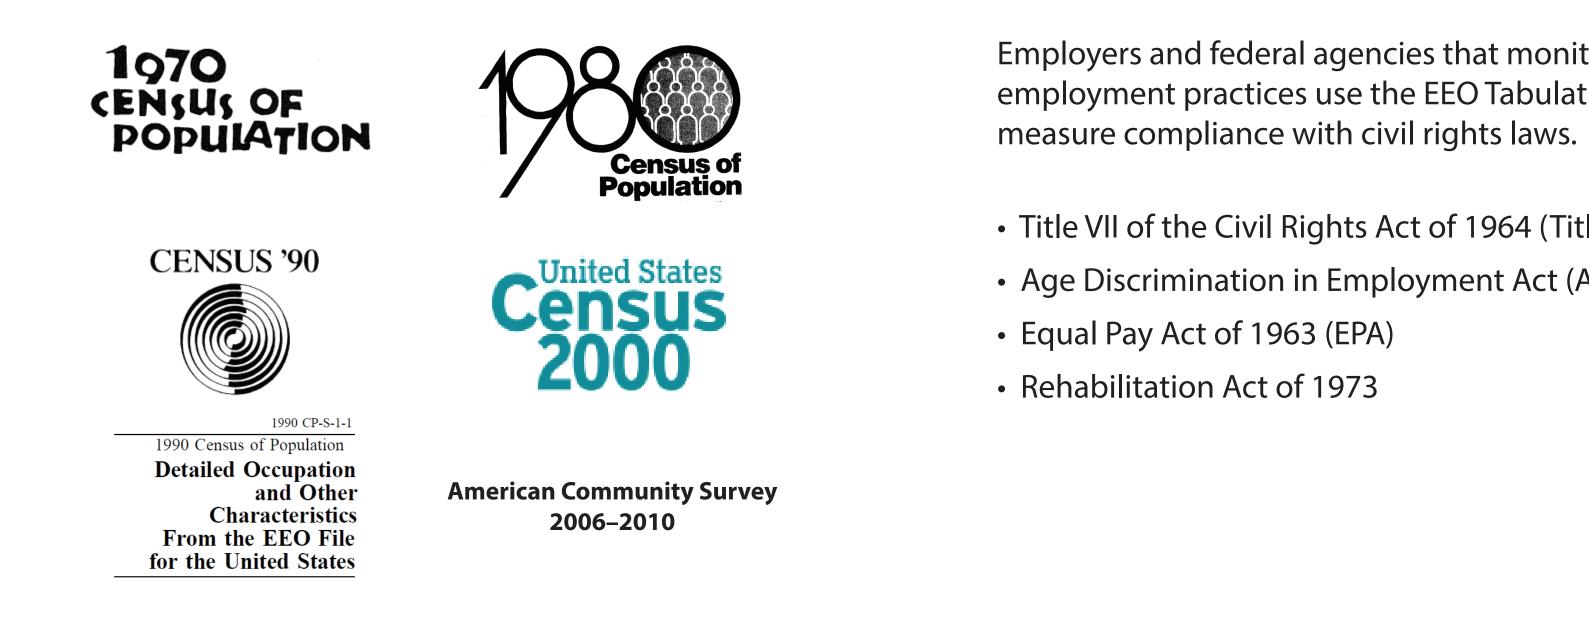

What is the Equal Employment **Opportunity Tabulation?**

• The source for detailed occupational statistics by race, ethnicity, and sex for local areas.

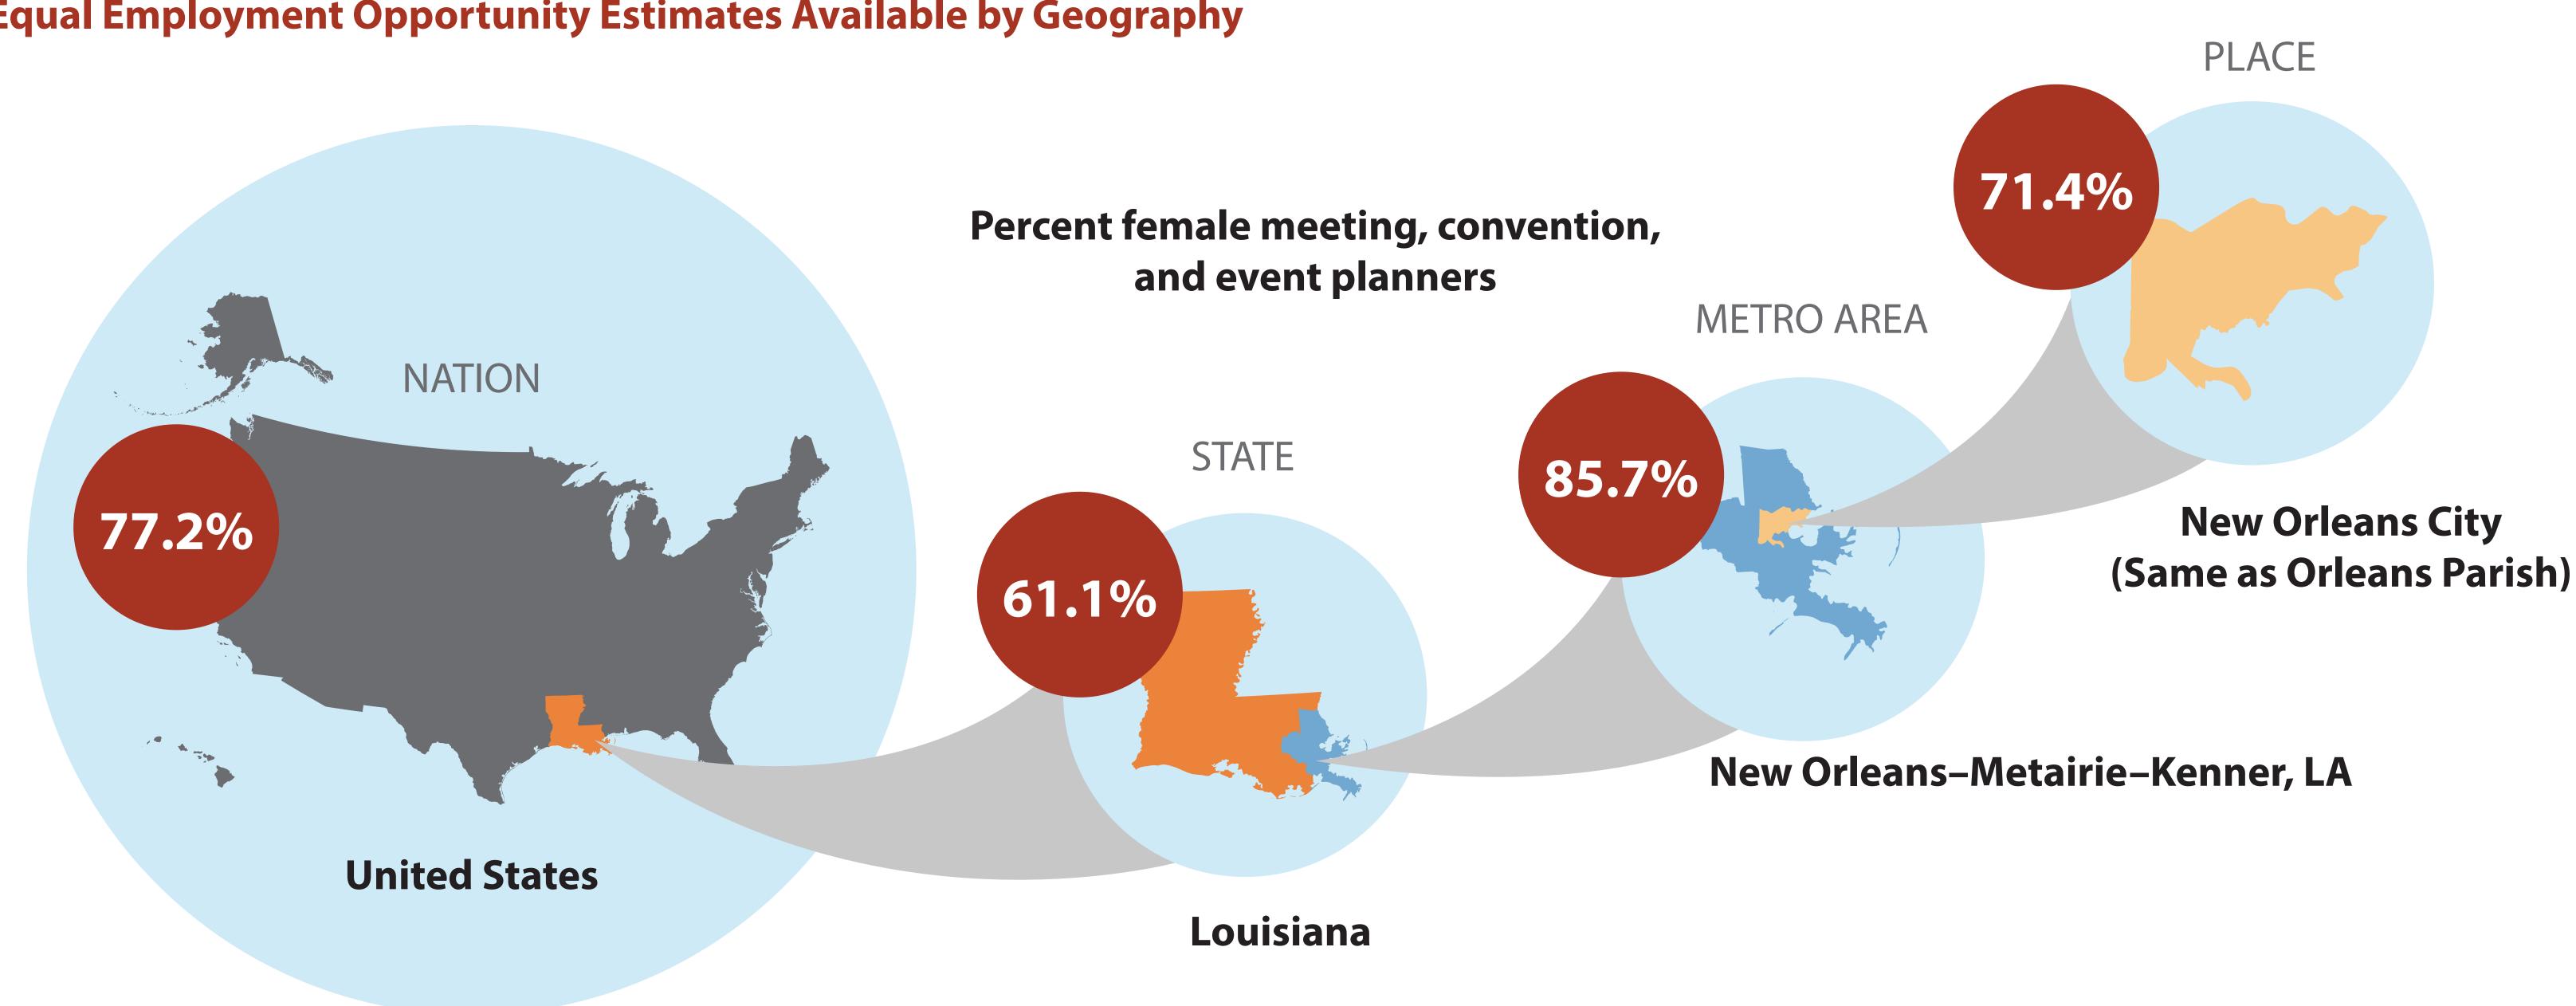

- earning

- Allows us to examine the diversity of the labor force aged 16 and older.
- 107 tables available for:
- citizenship
- educational attainment - age
- unemployment status
- Data available for worksite, residence, and commuting flows.
- Geography: nation, states, metro/micro areas, counties, EEO county sets, and places.

5 Decades of Equal Employment Opportunity Tabulations

Equal Employment Opportunity Estimates Available by Geography

• The EEO Tabulation provides labor force estimates by race, ethnicity, and sex for 488 occupations and nearly 6,500 geographic entities.

• Available geographies include: nation, states, metro/micro areas, counties, EEO county sets, and places.
